Evening lifted up the sidewalks, the Innsbruck thing is not, even if we meet there is often not the hustle and bustle of the ski centers. Rather, the Innsbruck nightlife has the profile of a typical student town: with Beiseln, bars and street cafes, in which sit comfortably, drink well and excited talk - to the exuberant celebrations still found plenty of opportunity. Whether live music or party feeling - the Innsbruck scene caters for every taste the right offer. From evening to morning bars, nightclubs and event venues are non-stop meeting place for night owls.
